

Product Change Notification

(Notification - P1604019-AVT)

(MC2-J-16-0002)

April 18, 2016

To: *Our Valued Avnet, Inc. Customer*

Overview: The purpose of this notification is to communicate product change of select Renesas Electronics America, Inc. (REA) devices. There is no part number change.

This notification announces the addition of a wafer fabrication site for certain RX MCU family devices. In addition to the current wafer fabrication site (Renesas Semiconductor Manufacturing Co. Ltd., Naka Factory), a new wafer fabrication site (Taiwan Semiconductor Manufacturing Co. Ltd., TSMC) will begin manufacture.

Affected Products: The accompanying letter, provided by Avnet, Inc., lists the products which may affect your company.

Part numbers given in this list are for active part numbers in REA database at the time of this notification.

Key Dates:

Cross shipments from REA of products from the additional wafer fabrication site begins.

August 15th, 2016

Response: No response is required. REA will consider this notification approved 30 days after its issue. If you anticipate volumes beyond your regular rate prior to the transition date, please contact your REA sales representative with a forecast of your requirements.

Please contact your REA sales representative for any questions or comments.

Thank you for your attention.

Sincerely,

Renesas Electronics America, Inc.
