

12-Jul-2016

PCN #:P-16-013288

Subject:Power connector manufacturing location change.

Description of Change: TE business unit operations are simplifying our manufacturing footprint to provide a more continuous efficient supply of product. As a result, TE is consolidating manufacturing location of listed parts affect immediately from two China sources (TE supplier and TE Qingdao) to single source TE Qingdao China under the same certified quality management system.

Reason: Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about consolidation of manufacturing location with a transfer of demand from two China sources (TE supplier and TE Qingdao) to single source TE Qingdao. The transfer is affect immediately and is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. TE Qingdao is already under a certified quality management system according the standard industry requirements. Please be noted this transfer will not impact customers already sourced from TE Qingdao.

Impact of Change:Manufacturing location change

Key Dates:

Contact By Date:15-Jul-2016

Implementation Date:15-Jul-2016

Product Affected

350715-1

(Alias Part Numbers:

"402723738"

"AMP-0-0350715-1"

Product Affected
"E04329-000")

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary

from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.
