Reply sheet for REACH SVHC on our product or partsOMRON AMUSEMENT Co., Ltd.
Quality & Environment Group
Title:Manager
Name: Norikazu Kajjura

We are pleased to inform you of the situation of SVHC in the REACH regulation ((EC)No 1907/2006) on our products or parts (including attached accessories, packaging materials) in Jan. 21, 2025, based on the best information available as of the date hereof. However, this is not covered by our non-inclusive warranty.

- The following information is/are for 247 substances of SVHC which were published in from Oct. 2008 to Jan. 2025.
- The column of "SVHC Contained/Not contained" indicates the following state:
 "Contained": The content of SVHC exceeds 0.1wt%
 "Not contained": The content of SVHC is 0.1wt% or less than 0.1wt%
- If the content rate is 0.1% and the column of "SVHC Contained/Not contained" is "contain," it exceeds 0.1% within significant digits.
- The data of "CAS No.," "Substance name," "Content rate(wt%)" , "Content quantity(mg)" are indicated only when the content of SVHC exceeds 0.1wt%.

- Note -
