Electronic Order Confirmations

EBV Customer Number: _____

Dear Sir or Madam,

In order to achieve a more efficient business relationship, we would like to inform you of the option to receive your Order Confirmations via E-mail.

Should you choose to take advantage of this offer, please return this declaration of agreement with your consent and signature via standard mail.

Furthermore, we require a valid E-mail address to which we can send the Order Confirmations. In order to assure access within your company and faster handling, it would be a great benefit if you supply us with a non-personalised E-mail address (max. 60 digits) to which at least several relevant colleagues have access.

Kind Regards,
