SUBJECT: Extension of the suspension of production activities following the Prime Ministerial Decree Apr 1st 2020 "Urgent measures to mitigate the contagion throughout the national territory"

Dear Customer,

We hereby inform you that as per the above cited DPCM Apr 1st 2020, an extension of the suspension of production activities to Apr 13th 2020 has been imposed.

In spite of this we are still guaranteeing the continuation of our production and shipments activities for those companies included in the ATECO codes (or the International related codes) as per the Decree dated March 25th 2020 (please find the decree and the list of the ATECO codes attached together with this declaration).

Such companies will need to officially send a request to your SAURO commercial contact within Apr 6th 2020 at noon (12:00 pm Rome time). If you already provided your statement please disregard.

All commercial activities will be supported through smart working efforts by your commercial reference available for your contact.

SAURO will regularly resume all activities on April 14th 2020 unless otherwise instructed by the government.

Best Regards

SAURO srl
