

EBV Elektronik supports 'Le Connected Camp' in France

Munich/Poing, 21st January 2016 – EBV Elektronik, an Avnet company (NYSE: AVT) and the leading specialist in EMEA semiconductor distribution, is pleased to announce that it is partnering with Le Connected Camp to support IoT start-ups. The 'Le connected camp' is an IoT and industry accelerator founded by startups for startups with the goals, to put IoT startup on the business launchpad and getting prototype ready for industrialization.

"The connected camp offers an ideal environment for start-ups supplying a work place, fully equipped laboratories as well as business mentoring and easier access to business partners, which can support the startup bringing their IoT idea to life," explains Thomas Staudinger, VP Vertical Segments EBV Elektronik. "We at EBV are always open to new business ideas and especially in the area of the internet of things a lot of new possibility are emerging in the market and the IoT provides clever start-ups with a very good chance of realising their ideas. EBV has already helped various start-ups to bring their products to market and we want to continue this."

The 'Le Connected Camp' is located outside Toulouse, France.

About EBV Elektronik

EBV Elektronik, an Avnet (NYSE:AVT) company, was founded in 1969 and is the leading specialist in European semiconductor distribution. EBV maintains its successful strategy of personal commitment to customers and excellent services. 230 Technical Sales Specialists provide a strong focus on a selected group of long-term manufacturing partners. 110 continuously trained Application Specialists offer extensive application know-how and design expertise. With the EBVchips Program, EBV, together with its customers, defines and develops new semiconductor products. Targeted customers in selected growth markets will be supported by the Vertical Sales Segments. Warehouse operations, complete logistics solutions and value-added services such as programming, taping & reeling and laser marking are fulfilled by Avnet Logistics, EBV's logistical backbone and Europe's largest service centre. EBV operates from 63 offices in 29 countries throughout EMEA (Europe – Middle East – Africa). For more information about EBV Elektronik, please visit www.ebv.com.
