Advanced Change Notification

Change Type: minor
Purpose: for awareness only
Proposed first ship-date: January 2019

General availability of this information:

ACN tracking number: AVS ACN 2018Nov

Product Identification: Avnet Silica shipments with the following shipping point:
Avnet Logistics BvBa, Limesweg 4, Tongeren, B-3700, Belgium

Customer part number(s): all Avnet Silica merchandise with the exception of products from manufacturer Texas Instruments. Until further notice all Texas Instruments merchandise will be shipped from:
Avnet Logistics, Gruber Str. 60, 85586 Poing, Germany

Detailed description of change(s): Relocation of the majority of Avnet Silica’s inventory from the Avnet Logistics facility in Poing/Germany to the Avnet Logistics facility in Tongeren/Belgium. Procedures related to programming services will not be affected.

Method, if applicable, of identifying changed product:
Identification of shipping point by means of shipment paperwork and freight box label.

Reason for change(s): Extension of storage and logistics capacities.

Anticipated (positive and negative) impact on form, fit, function, quality or reliability:
No impact on form, fit, function, quality or reliability of the products delivered.
During the transition period Avnet Silica shipments of the same product from several locations may occur.
There will be an individual pick-ticket attached to every Texas Instruments line item but no pack list will be supplied for Texas Instruments shipments.

Proposed First Ship Date for change: January 2019. Estimated transition period: six months.

Supplier Qualification plan schedule and/or results, where applicable:
Utilization of existing logistics facility. Covered by existing Quality and Environmental Management Systems:
