To Our Customers

Survey report about SVHC 174

We report that our products do not contain any of SVHC 174 (0.1% wt or more) except the following series as shown in Table-1.

For the other products such as customized capacitors and function modules, please contact us separately.

Our products: Standard capacitors listed in catalogue No. CAT.8100F (English version)/CAT.1000E (Japanese version)

SVHC 174: 174 substances published by July 7, 2017 from ECHA (European Chemical Agency) as substances of very high concern (SVHC) in accordance with Article 59 (10) of the REACH Regulation.
